## MESSAGE FROM THE FOUNDER

Education is not just about marks or certificates. It is about shaping character, confidence, and capability. London Education Centre was built with a simple belief, every student deserves personalised attention, strong values, and global standards.

Our journey began in Qatar in 2008, driven by a deep commitment to quality education and ethical growth. Today, as we expand into Saudi Arabia, we see this as more than business growth. It is a responsibility to contribute meaningfully to the Kingdom's educational vision and future generations.

We look forward to building long-term partnerships based on trust, excellence, and shared purpose.

## MESSAGE FROM ACADEMIC COORDINATOR

---

As the Academic Coordinator at LEC, it is my privilege to support our students, families, and tutors throughout their learning journey. My role is deeply rooted in ensuring that every learner receives the personalised attention, structure, and academic guidance they truly deserve.

At LEC, we believe that each student has their own story, pace, and potential—and it is our responsibility to honour

that individuality. I work closely with our dedicated tutors

to make sure every lesson is thoughtfully planned, progress is closely monitored, and each learner feels encouraged and understood. Whether it's helping a student build confidence, overcome challenges, or achieve outstanding results, I am here to walk that journey with you

## THE BEGINNING

---

London Education Centre Qatar was founded in 2008 with a revolutionary vision: to transform academic journeys across the Gulf region through excellence in international curriculum tutoring. What started as a passionate commitment to educational excellence has evolved into one of Qatar's most trusted premium tutoring and educational services providers.

From our humble beginnings, we established ourselves as pioneers in personalized learning approaches. Our commitment to excellence wasn't just about academic results, it was about understanding each student's unique learning journey and providing the expert guidance needed to unlock their full potential.

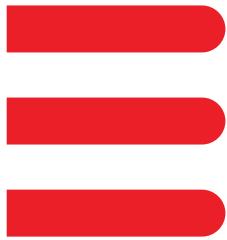

The early years were marked by:

**Personalized Approach:** Developing 1:1 tutoring methodologies

**Curriculum Expertise:** Mastering international curricula standards

**Quality Assurance:** Establishing rigorous teacher selection processes

**Student-Centric Focus:** Creating learning environments that inspire

# VISION

To become a global leader in personalised education.

# MISSION

To provide premium tuition in a simple, relatable way, building strong foundations and helping every student learn with ease and confidence.
